

# Stereo Lab - Privacy Policy

---

We value your privacy. This app does not collect or store any personal data or usage information.

The only personal data we may receive is through direct communication — for example, when you contact us for support. In these cases, we may receive your email address and the contents of your message.

- We do not track app usage.
- We do not use analytics services.
- We do not store or share personal data with third parties.

## How we use support requests

---

Your support messages are used only to respond to your request and are not used for any other purpose.

## GDPR and data rights

---

If you are a resident of the EU or EEA and would like to request access to or deletion of any personal data you have shared with us, please contact: [support@pspatialaudio.com](mailto:support@pspatialaudio.com)

We will respond to such requests in accordance with applicable data protection laws.
